...RESPONDENT(S)

Counsel for the Petitioner:

1. A V S LAXMI

Counsel for the Respondent(S):

1. GP FOR LABOUR

The Court made the following:

COMMON ORDER:

As the issue involved in these writ petitions is one and the same, these
matters are taken up together for disposal by this Common Order.

2. The facts in these writ petitions are similar and identical, therefore W.P.No.7206 of 2021 is taken as lead case, and the facts therein are referred to for convenience.

3. The facts of the case in nutshell are that the 4th respondent was employee of organization, retired long ago. He filed an application before the 3rd respondent by filing PG No.96/2015 claiming the difference of gratuity preceding their regular employment with long delay. Despite of his contention with reference to delay, maintainability, lack of evidence, the 3rd respondent allowed the application by an order dated 09.10.2018. The order of the 3rd respondent was based on no evidence and the petitioner has not discharged his burden in proving the working days. It is stated that after passing the said order, the 3rd respondent continuously chased the petitioner for payment of the amount and obtained cheques drawn in the name of the 4th respondent. Therefore, the petitioner consulted their lawyer for taking decision to file appeal with some administrative delay. Under the provisions of the Gratuity Act, the 2nd respondent is vested with the power to condone the delay upto 60 days. Accordingly, the petitioner filed an appeal before the 2nd respondent, but the same was returned with an endorsement dated 08.07.2019, which was received by the petitioner on 16.07.2019. Thereafter, the petitioner resubmitted the papers on 24.07.2019. Even though the petitioner submitted all relevant documents, the 2nd respondent again sent a communication vide Endt.No.B/NDIS/2019, dated 15.10.2019, which reads as under:

"1. Returned

2. No amount as stand deposited is lies with the Authority and Assistant commissioner of Labour, Gudiwada, the petitioner in this appeal and opposite party before lower Authority had deposited the awarded amount without protest and stated that, hey are sending the chæques to disburse to the individuals without requested of any objection on their behalf.

3. the petitioner requested to resubmit the petition duly furnishing the grounds for appeal.

Even though the petitioner submitted all relevant material, the 2nd respondent returned the appeal, is highly illegal and arbitrary. When once 3rd respondent accepted the cheques drawn in the name of the respondents, the 2nd respondent cannot insist for the deposit of equal amount for receiving the appeal. Therefore, questioning the action of the 2nd respondent, the petitioner has filed the present writ petition.

4. The pleadings which are cited by the petitioner in W.P.No.7206 of 2021, the same are adopted by the other petitioners in other writ petitions i.e., W.P. Nos. 935, 937, 1453, 1491 of 2020, 7236, 7246, 7274, 7279, 7289, 7297, 7298, 7303, 7305, 7307, 7326, 7361, 7393, 7427 and 7910 of 2021.

5. Heard Sri Appa Rao, learned counsel representing Smt. A.V.S Laxmi, learned counsel appearing for the petitioners and learned Assistant Government Pleader for Labour appearing for the respondents.

6. On hearing, learned counsel appearing for the petitioners while reiterating the averments made in the petition, submits that, the impugned communication sent by the 2nd respondent is highly illegal and arbitrary. When once the 3rd respondent, accepted the cheques drawn in the name of the respondents, the 2nd respondent cannot insist for deposit of the equal

amount for receiving the appeal. Had he respondent refused to receive the cheques, the petitioners would have deposited the amount. He submits that the official respondents, having received the cheques and disbursed the amounts on their own cannot turn around and say that the amounts have not been deposited. He further submits that, as seen from bank statements of the petitioners, almost all the cheques have been encashed by the 4th respondent on the basis of the cheque disbursed by the 3rd respondent. The 3rd respondent has not advised the petitioners that only amount needs to be deposited but not cheques. The intention of the rule is that the amount need to be with the 3rd respondent and by obtaining a certificate from him, the appeal is to be presented. He submits that the spirit and the purpose of the statutory provisions had been complied with and the 2nd respondent cannot insist or return of the appeals only on the ground that deposit receipt is not enclosed. He submits that the right of the appeal is a valuable statutory right which cannot be frustrated by the 2nd respondent. If the illegal order of the 3rd respondent is not set aside, it will result in substantial hardship and prejudice to the petitioners. Therefore, learned counsel submits that, without appreciating the legal and factual matrix involved in these cases, declining to entertain the appeals, is highly illegal and arbitrary. Hence, learned counsel for the petitioners requests this Court to pass appropriate orders.

7. Learned Assistant Government Pleader for Labour appearing for the respondents opposed for grant of any relief in these writ petitions and prayed to dismiss the same.

8. Having regard to the facts and circumstances of the cases and on considering the submissions of learned counsel for the petitioners, without touching the merits of the cases, in the interest of justice, this Court is inclined to dispose of the present writ petitions.

9. Accordingly, the all the Writ Petitions are disposed of. The impugned Memos in all the writ petitions are hereby set aside. Further, the 2nd respondent is directed to entertain the appeals and applications to condone the delay and dispose of the same, as expeditiously, as possible, by affording an opportunity to the petitioners, in accordance with statutory provisions under law.

10. There shall be no order as to costs.

11. As a sequel, all the pending miscellaneous applications shall stand closed.
