1. The petitioners have filed the present petition, *inter alia*, praying as  
under:-

“(a) Issue a writ of certiorari quashing Regulation  
7 and 8(1) of the Central Electricity Regulatory  
Commission (Deviation Settlement Mechanism  
and Related Matters) Regulations, 2022, to the  
extent challenged herein, as being violative of  
Articles 14, 19(1)(g) and 300A of the Constitution  
of India and the Electricity Act, 2003; and / or”

2. The learned counsel appearing for the Central Electricity Regulatory Commission (CERC) submits that the Central Electricity Regulatory Commission (Deviation Settlement Mechanism and Related Matters) Regulations, 2022 (hereafter *2022 Regulations*) has been replaced by the Central Electricity Regulatory Commission (Deviation Settlement Mechanism and Related Matters) Regulations, 2024. Thus, the 2022 Regulations are no longer in operation. He further submits that Regulations 7 & 8 of the 2022 Regulations, which are impugned in the present petition, were not implemented in view of the order dated 06.02.2023 passed by the CERC whereby the said regulations were relaxed. Thus, no charges were collected in terms of the Regulations 7 & 8 of the 2022 Regulations, in terms of the order dated 06.02.2023.

3. In view of the above, *prima facie*, the present petition does not survive. However, the learned counsel appearing for the petitioners submits that the main counsel, who has to argue the matter is not available and seeks an adjournment.

4. At his request, list on 28.01.2025.
