and
N.MALA, J.

Heard on the applications for
impleadment.

2. Since serious objection to
the impleadment has not been
made and looking to the fact that it
may unnecessarily delay the
hearing of the case, the
applications for impleadment are
allowed.

The petitioner would be at
liberty to address all the issues and
contentions on merit and therefore,
whatever has been stated in the
applications for impleadment that
may be addressed accordingly.
