Heard the parties.

The applicants, who are in custody since 22.08.2022, have approached this Court for grant of regular bail.

The applicants are accused of committing offence under Sections 363/365/367 & 34 of the Indian Penal Code.

It has been submitted by the counsel for the applicants that complete set of FIR along with its enclosure have been annexed with this bail application and there is no suppression on his part.

Innocence of the applicants has been claimed and undertaking has been given for participation in the trial.
