ORDER

17.05.2021

Mr. Mian Tufail, learned counsel, submits that the matter may be directed to be listed before some other bench on the ground that this Bench is disable to hear the matter because of my appearance in 2007 writ petition arising out of same subject.

The question as to whether the Bench should hear the matter or not depends on the hearing.

In the above background, this matter is directed to be listed on 06.07.2021 for consideration. Interim direction to continue till next date before the Bench.
