The detenue was produced before us. On tracing out the detenue, the police had produced her before the Jurisdictional Magistrate. The Jurisdictional Magistrate had given the custody of detenue to her parents. She was produced from the custody of the parents. We interacted with her. As of now, she is happy with her parents. In such circumstances, we do not think there is anything further to be done in this writ petition. Hence, the writ petition stands closed.
