award of the Reference Court enhancing the amount more than the one awarded by the Land Acquisition Officer and seventy six(76) appeals on behalf of the land owners for enhancement of compensation as awarded by the Land Acquisition Officer on the ground that Land Acquisition Officer ought not to have adopted belting system while enhancing the compensation much less no reasons have been assigned ignoring the sale deed No.6977/07 dated 20.08.2007 which has been relied upon by this Court in other matters.

2. State of Kerala caused a notification under Section 4 of the erstwhile Land Acquisition Act, 1894, for construction of Brahmapuram Solid Waste Treatment Plant in piece-meal. It is pertinent to mention here that in November 2007 ie., on 10.11.2007 notification under Section 4 was issued for construction of Brahmapuram Solid

5. The basic document which the Land Acquisition Officer relied upon for determining the compensation is Sale deed bearing No.3720 dated 12.05.2008 of an area measuring 19.86 Ares of land. Vendee in the aforementioned property is also a construction company. The contention of the land owners for enhancement of compensation was rejected by the Reference Court in paragraph No.65 whereas, of the respondent-State/appellants in twelve(12) appeals, allowed in in paragraph No.67. Paragraph Nos.65 and 67 reads as under:

65. On scrutinising Exts. A2 to A9, the said documents were executed in favour of companies and property

2024:KER:72286

LA.APP. NO.147 OF 2021

& Conn. Cases

224

developers. Claimants did not produce any document involving the property transaction of common man. Claimants did not adduce any reason for not producing such a document. Without producing the documents involving property transaction of common man, it cannot be concluded that in Exts. A2 to A9 the market value of the property prevailing in the locality were actually reflected. Hence Exts. A2 to A9 cannot be relied upon by the claimants to enhance the land value.

67. 2nd respondent produced Ext.R11 sale deed to contend that land value fixed by the Land Acquisition Officer in the acquired property was very high. Ext.R11 was actually sale deed No.1186/2008 in respect of the properties in Puthencruz Village. Ext.R11 was seen executed on 28-1-2008. Land value was shown in the said document in respect of 31.20 Ares of property in 'A' schedule as Rs. 11,56,350/- and in respect of 10.30 cents of property in 'B' schedule as Rs.3,81,500/- and in respect of 8.12 Ares of property in 'C' schedule as Rs.3,00,500/-. It is important to note that respondents did not produce the documents on the basis of which Land Acquisition Officer fixed the land value. Moreover, there existed no convincing evidence to prove that property mentioned in Ext.R11 are situated near to the acquired property in the present case even though properties were situated in Puthencruz Village. So Ext.R11 cannot be acted upon to

2024:KER:72286

& Conn. Cases

225

conclude that the land value fixed by the Land Acquisition Officer in respect of the acquired property was very high.”

6. It has been brought to the notice that the sale deed dated 20.08.2007 is in respect of 2 Acres and 14 cents of land has been sold for a sum of Rs.10,09,227/- (Rupees ten lakhs nine thousand two hundred twenty seven only) per Are. It is pertinent to mention here one(1)Acre of land has 100 cents and 40.50 Ares. The sole reason for rejection of sale deed relied upon by the land owners was that big companies are capable of paying more price in the market. But while doing so, reference court remained oblivious of the fact that the basic document, as noticed above, in sale deed No.3720 dated 12.05.2008 relied upon by the Land Acquisition Officer, though not brought on record before the Reference Court, was also sold to a big company but at a different rate. It is seen that the prices of the property increases or decreases as per the demand and

2024:KER:72286

LA.APP. NO.147 OF 2021

& Conn. Cases

226

supply. When there are more customers for purchasing the land in a particular area the prices over a span of few days increases exponentially. The sale deed dated 12.05.2008 relied upon by the Land Acquisition Officer was of a lesser value of Rs.4,57,358/- (Rupees four lakhs fifty seven thousand three hundred fifty eight only) per Are whereas after a gap of almost three months, the price increased many folds ie., at the rate of Rs.10,09,635/- (Rupees ten lakhs nine thousand six hundred thirty five only) per Are. Both the Land Acquisition Officer as well as Reference Court have enhanced land by taking into consideration the category ie., adoption of belting system which is impermissible in view of the judgments in **Besco Limited v. State of Kerala** [2023 SCC Online SC 1071] as well as **Bijender and Others v. State of Haryana and Another** [(2018) 11 SCC 180]. Thus once the belting system is impermissible, one price is required to be determined for all the land owners, for, it

2024:KER:72286

LA.APP. NO.147 OF 2021

& Conn. Cases

227

would not be conducive to cause discrimination among when the purpose for which it was acquired is one ie., Phase II of the Solid Waste and Treatment Plan. There was another batch/bunch of appeals wherein land owners relied on same sale deed dated 20.08.2007 while seeking enhancement of the amount of compensation. It is also pertinent to mention that basic document had also more road frontage and access. In other words, it was located at a far off place 4Kms away from the acquired land.

7. Sri.Vaghese K.Paul submitted that the State attempted to support their case for reduction of amount by relying upon Ext.R11 sale deed bearing No.1186/2008 dated 28.01.2008 in respect of land of 31.20 Ares, sold for an amount of Rs.11,56,350/- (Rupees eleven lakhs fifty six thousand three hundred fifty only) in total, i.e., around Rs.37,000/- (Rupees thirty seven thousand only) per Are. It was a deliberate attempt to reduce the value lesser than the

2024:KER:72286

LA.APP. NO.147 OF 2021

& Conn. Cases

228

market value. Therefore, learned Government Pleader cannot rely upon the aforementioned document in support of grounds taken in the appeals preferred by the State. Even the basic document ie, sale deed No.3720 dated 12.05.2008 in respect of a lesser area of land vis-à-vis Ext.A5 dated 20.08.2007 which is a larger tract of land for the repetition 2 Acres and 14 cents.

8. Noticing the aforementioned fact, we are of the view that Reference Court ought to have applied uniform rate in respect of land acquired under the notification aforementioned as it was being used for Phase-II of Brahmapuram Waste Treatment Plant by relying upon the sale deed much before the notification ie., 20.08.2007 and rightly so, ignored the basic document on the premise that it was not placed on record.

9. For the reason aforementioned, the award of the Reference Court is hereby modified and the compensation is

2024:KER:72286

LA.APP. NO.147 OF 2021

& Conn. Cases

229

enhanced in respect of entire land consisting of different categories by applying uniform rate of Rs.10,00,000/- (Rupees ten lakhs only) per Are. Land owners will be entitled to other benefits awarded by the reference court, including statutory interest, along with proportionate cost. Accordingly the appeals preferred by the State are dismissed. Claimants' appeals are allowed in the aforementioned terms.

10. During the course of hearing we have also been confronted with the judgment of Division Bench of this Court in 2018 KER 28172 (LAA 345 of 2016 and connected cases) wherein, in paragraph 9, had relied upon the decision of this Court dated 27.02.2008 in L.A.A. No.73/2014 and connected cases whereby more than 150 matters had been disposed off, but amount enhanced has been by following the belting system, without noticing the judgment of Supreme Court reiterated in **Besco Limited** case (*supra*), therefore, the said judgment cannot be said to be judgment *in rem* but judgment

2024:KER:72286

& Conn. Cases

in *per incuriam*.

11. Delay in filing the appeals shall stand condoned. However, it is made clear that the claimants in the appeals which were delayed by more than 1000 days, shall not be entitled to claim benefit of interest for that period, as already ordered by the Division Bench while condoning the delay. Claimants are granted one month time from the date of receipt of copy of the judgment, to pay the balance court fee/any deficiency..
