P.V.KUNHIKRISHNAN, J

Review Petition No. 296 of 2023

Dated this the 16th day of March, 2023

O R D E R

The above review petition is filed by the 2nd respondent in W.P.(C.) No. 37423/2022. The apprehension of the review petitioner is that the 2nd respondent will not consider Annexures B, C and D while deciding the matter as directed by this Court in the above judgment. I think no such apprehension is necessary to the review petitioner. This Court made it clear that the 1st respondent in the writ petition should consider Exts.P3 and P4 after giving an opportunity of hearing to the petitioner and the 2nd respondent. The 2nd respondent in the writ petition is the review petitioner. In such circumstances, according to me, the 2nd respondent in this review petition is bound to consider the grievance of the review petitioner also.

Therefore, with that clarification, this review petition is closed.
