DATED THIS THE 2nd DAY OF FEBRUARY, 2010

JUDGMENT

The petitioner has been granted a regular permit on the route Kakkathiri- Edappal. According to him, the route is one of the interior and ill - serviced route of Palakkad District. His complaint is that though the permit has been granted to him, the same has not been issued and that his timings have not been settled till date. He seeks appropriate directions for the convening of a timing conference and for settlement of his timings on an early date. The Government Pleader has no objection to the said direction being issued.

This writ petition is therefore disposed of directing the respondent to convene a timing conference and to settle the timings of the petitioner, in accordance with law, as expeditiously as possible and at any rate within a period of one month from the date of receipt of a

copy of this judgment. The varied permit shall also be issued to the petitioner thereafter.
