JUDGMENT

K.M. Joseph, J.

The Writ Petitions are filed by the Manager and Principal of two aided colleges. The prayer sought is for police protection for running the colleges. Apparently, the basis for approaching this Court is the incident which took place on 16.7.2012 in which one student died.

2. The party respondents are student organisations and students. We heard the learned counsel appearing. Learned Government Pleader would submit that police protection is being afforded and it is being reviewed also from time to time and it is submitted that as and when required, police assistance will be given for the smooth conduct of the colleges. We dispose of the Writ Petitions by recording the said submission. We make it clear

that necessarily, protection must be given so that the students are able to study in a peaceful atmosphere and the teachers and other members of the staff are able to discharge their duties in a proper manner.
