**THIS WRIT PETITION (CIVIL) HAVING BEEN FINALLY HEARD ON
10.12.2018, ALONG WITH WP(C) .23246/2015, THE COURT ON THE SAME DAY
DELIVERED THE FOLLOWING:**

JUDGMENT

Captioned writ petitions are materially connected in respect of a building permit secured by the petitioner in W.P.(C).No.18416/2015, therefore, I heard them together and propose to pass this common judgment.

2. In W.P.(C).No.18416/2015, petitioner is challenging Ext.P12 stop memo issued by the Village Officer, Kunnamangalam dated 10.06.2015, whereby, petitioner was directed to stop the construction carried out on account of the directions issued by the Revenue Divisional Officer concerned.

3. In W.P.(C).No.23246/2015, the petitioner is opposing building permit granted to the petitioner in the other writ petition and seeks a direction to take appropriate steps to stop the construction activities carried on by the petitioner.

4. During the pendency of this writ petition, petitioner in W.P.(C).NO.18416/2015 has submitted Ext.P18 application before the 4th respondent seeking removal of the property from the data bank constituted as per the provisions of the Kerala Conservation of Paddy Land and Wet Land Act, 2008 and also Ext.P19

application before the 2nd respondent seeking permission for utilization of the property for other purposes other than paddy cultivation and agricultural operations.

5. I have heard learned counsel for the petitioners in the writ petitions, learned Government Pleader as well as the Standing Counsel appearing for the Kunnamangalam Grama Panchayat and perused the pleadings and the documents on record.

6. In my considered view, if a decision is taken by the statutory authority in Exts.P18 and P19 applications, it would resolve the problems raised by the petitioner in W.P.(C).No.18416/2015. In that view of the matter, there will be a direction to the 4th respondent to consider Ext.P18 application submitted by the petitioner in accordance with law and attain finality to the same at the earliest, and at any rate, within three months from the date of receipt of a copy of this judgment. If the petitioner is producing necessary enabling orders as directed above, Ext.P19 shall be considered by the 2nd respondent in accordance with law and attain finality at the earliest, and at any rate, within three months from the date of production of the order from the Local Level

Monitoring Committee.

7. When W.P.(C).No.23246/2015 was admitted to the files of this court, an interim order was passed by this court on 17.09.2015, directing to put on hold the construction activities carried out by the petitioner in W.P.(C).No.18416/2015 and the said order is still in force. In that view of the matter, if the petitioner is producing necessary enabling orders from the statutory authorities as directed above, the petitioner in W.P.(C).No.23246/2015 shall be issued with a notice by the 3rd respondent. The issue with respect to the stop memo as per Ext.P12 in the said writ petition shall be considered by the 3rd respondent and finalize the same after securing necessary participation of both the petitioners in the writ petitions at the earliest possible, and at any rate, within one month from the date of production of the order from the statutory authorities.

The writ petitions are disposed of, accordingly.
