The petitioner applied for a High Tension electricity connection. According to the petitioner, the petitioner has complied with all procedural formalities for getting the connection. Petitioner's grievance is that the petitioner is yet to be given connection. The learned standing counsel for the KSEB on instructions submits that the compliance report in respect of the connection was received only on 26.11.2009 and the connection would be given within two weeks. This is recorded and the writ petition is disposed of.
