

W.P.(C) NO. 11035 OF 2004

15.11.2017 Heard learned counsel for the petitioner.

Since this writ petition was moved involving a draft publication and considering the submission of the learned counsel for the petitioner that in the meantime final publication is already there, this Court finds no scope for interfering in the matter at this stage. However while dismissing the writ petition this Court permits the petitioner to have further recourses involving final publication if any cause of action still survives.
