JAGMOHAN BANSAL, J. (ORAL)

1. The petitioners through instant petition under Article 226 of the Constitution of India is seeking direction to official respondents to verify self declared statement of private respondents.

2. The petitioners pursuant to advertisement applied for the post of Junior System Engineer. They had applied under Economically Weaker Section (EWS) category. The private respondents came to be selected. They are claiming that private respondents have been appointed without verifying statement of status filed by them. The respondent has awarded marks on the basis of Socio-Economic Criteria. The respondent has not verified statement filed by private respondents and if it is verified, it would prove that private respondents have wrongly disclosed their Socio-Economic status.

3. Mr. Jagbir Malik, Advocate submits that competent authority has verified certificates of all the candidates who have submitted self declared statement for claiming marks to be awarded on the basis of Socio-Economic Criteria. There is no case of mis-declaration, thus, private respondents have been rightly selected. They have joined their post and working since 2021.

4. From the written statement and averment of respondent No. 1, it is evident that respondent has already carried out exercise of verification of self declared statement filed by private respondents, thus, the instant petition has rendered infructuous.

6. Dismissed as having been rendered infructuous. The petitioners are at liberty to move an appropriate application within three months, if cause survives.

7. Pending Misc. application(s), if any, shall stand disposed of.
