Mr. Syed Ahmad Naqvi, Adv.

For Respondent(s)

UPON hearing the counsel the Court made the following
O R D E R

Learned counsel for the petitioner argued that the Committee of Ministry of External Affairs submitted its report to the Lok Sabha on 3rd August 2022, wherein, in respect of students from Ukraine, made the following recommendations in Para 2.67:

“The Committee are deeply concerned about the plight of thousands of Indian students pursuing medical and other courses in Ukraine and China, who could not return back to these countries due to closure of their universities. These students

have been left in a quandary as they could not re-join their courses physically or complete their internship or training in India. The Committee have been informed that MEA had recommended to the Ministry of Health & Family Welfare to consider allowing Indian private medical institutions to enroll returnee students from Ukraine in their institutions on a one-time exemption basis. The Committee urge the Ministry to pursue the matter with the MoHFW vigorously as this step alone may solve the current crisis being faced by the students enrolled in Ukraine universities and enable them to complete their courses"

In view of the said recommendations, the petitioner seeks an appropriate decision from the Government of India/ National Medical Council in respect of the students from Ukraine.

Issue notice, returnable on 5th September 2022.

Notice be served upon the Central Agency as well.
