## O R D E R

We are informed that the Centralized Admission Process has been started.

Issue notice on the application.

In the meanwhile, we direct the respondents to permit the petitioners to admit the students through the Centralized Admission Process rounds to the course of Diploma in Pharmacy which is to be conducted in the 2<sup>nd</sup> Shift.

We make it clear that admission granted to the students shall be provisional.

We also make it clear that no equity shall be created in favour of the students by virtue of grant of such provisional admission which is liable to be cancelled.

We also make it clear that while granting admission to the students, the petitioners will clearly inform the students in writing that their admission is subject to the outcome of this petition so that the students are put to notice.

Since the issue raised in this application is a recurring issue, we are of the opinion that the matter should be heard expeditiously.

List the matter on a non-miscellaneous day within four weeks.

Pleadings must be completed by that time.
